Dear David McDonald:

EPA conducted a review of case #WDS14-2016-01 and identified lab and report irregularities associated with Marvin Windows and Doors MAR-N-112-16848-00001. As a result, EPA has authorized your certification body to retest this product to all relevant requirements. Please work with your certification body to determine the scope of the retest. Once the scope is determined, your certification body will notify EPA.

Case #WDS14-2016-01 has been closed and no further action is necessary at this time. If the product fails future testing, EPA will open a new case.
